

Winchester Pregnancy Crisis Centre is seeking a **Centre Manager**

WPCCC is a small Winchester based charity operating within a Christian ethos for over twenty years. Our mission is to see God's love expressed to anyone seeking support or experiencing distress related to unplanned pregnancy or pregnancy loss. The charity provides free, confidential, impartial support within our own dedicated space and on-line.

"If I hadn't had WPCCC to help me manage this trauma, I don't know where I'd be right now. Their love, kindness and support has helped me through the worst days and months of my life. I will be forever grateful for everything they have done, and continue to do, for me."

"Thank you so much for all the incredible and vital work you do. Women should not feel ashamed to talk about these topics and no-one should ever feel alone. Your charity and support is invaluable."

The support given to clients takes two main forms – urgent, short-term support for those in a pregnancy crisis and longer-term programmes for those struggling with post-abortion loss, miscarriage, still birth and neo-natal death. All our advisors abide by the Association of Christian Counsellors' Ethics and Practice.
